SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years Standing, Relieved by Cardui.

Mrs. A. N. C. - Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell. I tried most every kind of medicine, but none did me any good. I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together. My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it. Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, giddiness, sleeplessness, and that everlasting tired feeling? If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century. Begin taking Cardui to-day. You won't regret it. BOSTON RETAINS LEAD OVER GIANTS

Won Final Game of Series From Philadelphia After a Ninth Inning Rally

(By Associated Press) Boston, September 11.—Boston won the final game from Philadelphia today 6 to 5 after a ninth inning rally, and still holds leadership in the National League. Manager Stallings was without the services of Captain John Evers, who was suspended for three days for a controversy with Umpire Eason Thursday. With Philadelphia leading by one run in the ninth, Dugay, batting for Moran, singled and moved to second on a wild pitch. Whitted's single put Dugay on third and Caher's sacrifice fly scored him. Whitted went to third on the play and scored on Maranville's sacrifice fly to right.

Brown Got His Bumps.

Brooklyn, Sept. 11.—St. Louis defeated their former manager, Mordecai Brown, pitching for Brooklyn today, the visitors taking the second game of the series by 6 to 5. With good support, Brown would have won.

Shaw Was Invincible.

Washington, Sept. 11.—Three hits was the best New York could do against Shaw today and Washington won 4 to 2. The Senators scored 3 runs in the third inning on McEller's double, three singles, a pass and a double steal. Two singles and an error gave them their last run in the seventh.

Heavy Hitting Won.

Chicago, Sept. 11.—Consistent heavy hitting by Detroit, coupled with an error by Baker, Chicago's recruit third baseman and a base on balls today gave the visitors a 5 to 3 victory over Chicago.

Tied in Eighth.

Philadelphia, Sept. 11.—For the third time this season Boston and Philadelphia failed to play a game to a conclusion. Umpire Chill stopped play on account of darkness in the eighth with the score tied at eight runs each. After the home team took the lead while Bedient was pitching, Bush weakened in the seventh. MARKET REPORT

New York Cotton

New York, Sept. 11.—Only three hundred bales of the old straddle interest were liquidated through the operations of the special cotton exchange committee today but the talk suggested increased cheerfulness as to the general situation and market outlook.

Weekly Cotton

New York, Sept. 11.—Rather a morose and gloomy tone has developed in cotton trade circles here during the past week. Little actual progress has been made in liquidating the old straddle interest, but enough has been done to indicate that the plans of the international conference may eventually accomplish the object and the hopes of closing out the old contracts at a reasonable level of prices have also been encouraged.

Liverpool Cotton

Liverpool, Sept. 11.—Cotton spot improved business. Sales 4,450 bales, including 4,300 American on the basis of 6,000 for middling. Imports 925. No American cotton statistics.

Cotton Seed Oil

New York, Sept. 11.—Cotton seed oil was firmer, closing 5 to 17 points net higher. The strength was due to the foreign as well as domestic demand for actual oil, together with firmer and scarcer offerings of crude oil.

Dun's Review

New York, Sept. 11.—Hopes of better trade look larger than do actual transactions, and except at a few western cities, the trend of things the country over is tempered by conservatism, with positive dullness prevailing in the South. Fall festivities at the numerous points have made for somewhat heavier buying, but the improvement thus reflected, is only relative, and in industrial lines the pace of operations is slow.

Dry Goods

New York, Sept. 11.—Cotton goods market continued higher today with signs of strengthening visible in the wide range of cloth divisions.

Money on Call

New York, Sept. 11.—Money on call is steady for cash at 4 1/2 per cent. Sterling exchange steady for cash at 49 1/2 to 50; for demand 49 1/2 to 50; for telegraphic transfer 49 1/2 to 50.
